**BEDDING INDUSTRY MEETS FOR THE 5<sup>TH</sup> TIME AT IBIA EXPO**

Organized by IBIA (International Bedding Industry Association) and Birleşik Fuar Yapım A.Ş., **IBIA Expo, the most powerful trade platform connecting international mattress industry suppliers and technology manufacturers directly to global markets, will open its doors for the fifth time at the Istanbul Expo Center between September 16-19, 2026.**

IBIA Expo, one of the world's most prestigious meeting points in the field of mattress industry, components, and production technologies, is bringing together the leaders of the sector in Istanbul for the 5th time. **This platform, which have been proved its strength by hosting over 20.000 professionals from 92 countries in 2025**, offers the entire supply chain under one roof, from bedding fabrics to spring systems, foam technologies to smart production machines. As a premier global trade platform bridging world-class production and innovation with international markets, IBIA Expo offers more than just an exhibition space; it provides a dynamic, borderless trade ecosystem enriched by international procurement delegations and strategic business partnerships.

**This major gathering, taking place at the Istanbul Expo Center between September 16-19, 2026, will showcase the latest innovations and sustainable technological solutions in the mattress tech industry. Secure your spot now to be part of a wide professional network ranging from mattress manufacturers to distributors and to redefine industry standards.**

## MEET THE WORLD AT Ibia EXPO

IBIA EXPO, brings together professional buyers from all over the world in İstanbul as a unique meeting point where the leading mattress supply industry and technology companies of Turkiye and the world exhibit their new-innovative products. By Ibia EXPO, the newest products, innovative materials, components and technologies come together under one roof.
